

may the lord touch each and everyone of you that reads this comment. deep down inside where there are no words that can be expressed, we all know that there is a God. someone that breathed us into existence, someone that watches over us and our families. weather we admitt it or not the truth still remains. for those of you that know the lord, i pray that you will keep k-love on the air feeding our spirits. for those of you have have not acknowlede the lord yet, i pray that something deep inside you stirrs and leads you to keep k-love on the air, as well as giving you the opp. to listen to it yourselves and begin your own relationship with the lord.
